XCP - Hobby 2 (M,W), U17 (M,W) - **Track C**

Tracks:

A-65km (Altitude-1730m)

B-47km (Altitude-1270m)

C-32km (Altitude-565m)

Race start is on the main town square and runs under police escorts through city streets towards Grizane. **Track A** turns right after city center on the first climb to Kotor and continues climbing through Saftici, towards Peski to the Kalac (top of the climb). It is mainly a macadam climb, and after that comes a downhill part from the 26th to the 31st kilometer. Drive cautiously !! After the downhill, the track A riders return to the Peski area, where they continue along the Track B towards Palisin, Lukovo, followed by a downhill to Grizane and Kotor with the finish at Stjepan Radic Square in Crikvenica. Marathon has a time limit and anyone who reaches the last control point (at 23/40 km) after 5 hours from the start of the marathon will be DQ.

Track B after the exit from Crikvenica follows the Track A (climb to Kotor) over Saftici where the climb towards Peski (right turn not left like Track A), Palisin and Lukovo. Track B returns the same way as Track A to Crikvenica.

Track C is primarily intended for recreational and youngest competing categories. It has 32km and about 565m of climbs and is not too hard to finish.

The organizer can change the marathon route if special conditions are obtained.
